

**Bullying, Harassment and Hazing: Policy and Best Practice Updates**  
Tennessee Department of Education  
*Office of Healthy, Safe and Supportive Schools*  
*In partnership with STARS Nashville*

A civil and respectful learning environment is an essential foundation for teaching and learning. To achieve that end, state law (Tennessee Code Annotated § 49-6-4501 et al) mandates specific actions on the part of schools relative to bullying, harassment and intimidation. This seminar will provide an overview of these and other related requirements with a particular focus upon insuring that policy is reflected in effective practice.

**Presenters**

Rodger Dinwiddie, CEO of STARS Nashville, President of the International Bullying Prevention Association. Dinwiddie is also a technical assistance consultant for the Olweus Bullying Prevention Program and currently serves as a school climate and safety consultant for the department's Safe and Supportive Schools demonstration grant.

Elizabeth Taylor serves as Staff Attorney and Director of Office of Civil Rights at the department and is responsible for investigating complaints under Title VI of the Civil Rights Act of 1964 and Title IX of the Educations Amendments of 1972.

**Who Should Attend?**

Districts should send a small team (2-3 persons) of educators responsible for providing leadership and direction to the district in the areas identified above.
